

100% Tank Fermented with Malic fermentation stopped completely makes this wine super crisp. Tropical Fruits, pineapple, mango, honeysuckle, all finishing on acid driven minerality. The Roussanne and Marsanne were grown in Horse Heaven Hills while the Viognier was grown at Seven Hills East in Walla Walla AVA.

Varietals:

50% Viognier, 30% Roussanne, 20% Marsanne

Tasting Notes:

“Composed of 50% Viognier, 30% Roussanne and 20% Marsanne, this is a highly aromatic white. Golden colored, it emits scents of Asian pears, peaches, apricots, lilac, honeysuckle, sandalwood and flint. The stone fruit flavors are well extracted, with tones of grape skin, melon rind and a hint of beeswax, followed by a lingering minerally finish
